Quickly Scaled a Complex Managed Document Review

An Am Law 100 firm was working on a complex white-collar criminal matter that included the review of detailed engineering summaries. A request for a managed review team came in on a Sunday during the holidays. Hire Counsel delivered the on-demand, qualified legal team required for the complex project, in two days.

Position(s) to Staff

95 Contract Attorneys, 1 Project Manager

Need: Quickly Scaling a Team

Hire Counsel is the solution when you need to quickly staff a project. Our database of credentialed talent stands ready to deliver defensible results, every day, when and where you need them.

Results

- Sourced 100+ qualified candidates for the complex managed document review
- Assembled a team in two days to meet the timeline
- Awarded the project because we were the most responsive with the required experience
- Received referrals to other departments within the firm

“We are very satisfied with the handling of this project. Thanks to the whole team! We will absolutely be in touch with future projects.”

Bolster your bench with the on-demand legal team you need and the outcomes you expect.
