

P³ PEOPLE PLACEMENT PROCESS

EXPONENTIALLY BETTER

Engineered for agility, our *P³ People Placement Process™* quickly aligns W2 inspired talent with client needs to expedite project results so clients can focus on day to day business operations

P³ PEOPLE PLACEMENT PROCESS

AT THE INTERSECTION OF SPEED AND TALENT

Engineered to expedite the placement of potent legal talent aligned with specific client needs, Hire Counsel's *P³ People Placement Process™* is a powerful, proprietary system that provides clients with the confidence they need to focus on daily business operations while our experts take care of the details behind the scenes. As the foundation and catalyst for all Managed Review, Data Breach / Incident Response and Secondment / Specialized Project Attorney projects we execute, Hire Counsel's integrated *P³ People Placement Process* synchronizes (5) critical channels to properly discover, vet and onboard the best W2 inspired talent to solve client short and long-term human capital challenges.

FROM QUALITATIVE TO QUANTITATIVE

As the driving mechanism that actuates all talent placements, Hire Counsel's unique *P³ People Placement Process* provides clients with proven measurable results from discovery to project completion.

- Agile talent discovery and alignment
- Efficient candidate registration
- Thorough, multi-step vetting procedures
- Multiple cross-check / validation steps
- Legal / criminal background checks
